

California Blacksmith Association

Membership Application & Renewal Form

Welcome, young and old, hobbyist and master, to the CBA! At the forge since 1977 thanks to our membership.

There are three annual Membership levels: Individual, Family, and Business.

Membership privileges include the right to vote in Association elections, and access to our incredible library, grants, bimonthly magazine, plus a network of California smiths, shops, conferences, and classes across the state. A Family Membership includes adult and children family members to participate at events. A Business Membership allows employees to participate. Both Family and Business Memberships are allowed only one vote in the Association elections and only one subscription to our magazine. *Please complete this form in full so that our records will be accurate.*

Appropriate eye protection is required and must be worn during all California Blacksmith Association sponsored workshops and demonstrations, be it as a demonstrator, helper, instructor, observer or participant. I understand these requirements and will bring my personal eye protection to all such events that I attend and wear the eye protection as required.

The California Blacksmith Association bylaws prohibit harassment-in keeping with state and federal laws-at any CBA sponsored meetings, activities or events. That includes but is not limited to harassment based on race, religion, creed, national origin, sexual orientation or gender.
